Dear Parent/Carer

You may be aware that food allergies are a growing concern in schools and we now have a number of students with severe nut allergies. This allergic reaction (anaphylactic shock) can occur through ingestion of peanut/nut products, cross contamination and breathing peanuts in the air. As a school we make the safety and well-being of our students our top priority therefore we are asking for your help in minimizing the risk for these children.

Please do not send any peanut or nut containing products to school with your child.

If you have any questions or concerns about food-allergy-related issues, please do not hesitate to contact Carroll Atkinson (INCLUSION LEADER) or Pui Ma (SENCO).

Thank you for your support.

Yours sincerely

M Williams
Headteacher
