

## 2024 Key Stage 4 Performance Data

Sherburn High School Progress 8 score **+0.51**

**‘Well Above National Average’**

### What is Progress 8?

Progress 8 is a type of 'value-added' measure that indicates how much a secondary school has helped pupils improve (or progress) over a five-year period when compared to a government-calculated expected level of improvement. Essentially this measure takes a pupil's performance in relation to their peers at primary school level, compares it with their performance at GCSEs.

Description	School Data	Schools national ranking (From FFT)	National	Local Authority
